Summary

I am a Student and considered myself as an Intermediate Python programmer and I am into Web Development. I have a passion for technology and I enjoy learning and creating awesome stuff.

My Projects :

- > Web Development Projects like Colour Generator with JS, Blog Website with Node.js, Sign-Up Page, Website with Bootstrap, Personal website with HTML 5 and CSS.
- > Python-Pygame projects like Sudoku game and Sudoku solver with Backtracking algorithm (very proud of), Brick breaker, and many more.
- > Python-Web-Scraping projects like Instagram-bot and COVID-19 report.
- > Python-Tkinter projects for GUI like YouTube Video Down-loader.

All projects are available on my GitHub, feel free to check them and pull requests.
